### Track 1 – We'll Be Free

©2015 Written by Nalani & Sarina

Some people don't wanna know nothing  
Don't wanna understand they'll shake your hand,  
keep walking  
Come on, stand up, say somethin'  
Are we awake, or are we sleep talkin'

I don't care who you are or where you've been  
I don't care if you love her or you love him  
I don't care if you're somewhere in between  
Cause on this road we're walkin'  
Together we'll be free

I'm learnin' that the earth keeps turnin'  
You can stay right there and stare or keep growin'  
Come on, stand up, say somethin'  
It's a different kind of day a new wind's blowin'  
(Come on now)

I don't care who you are or where you've been  
I don't care if you love her or you love him  
I don't care if you're somewhere in between  
Cause on this road we're walkin'  
Together we'll be free, we'll be free, we'll be free  
We'll be free  
We'll be...

(Free) Keep on believin'  
(Free) Keep hope alive  
(Free) Gotta keep on tryin'  
(Free) 'Till the day I die

I won't ever give up, I won't ever give up  
I won't ever give up, ever give up, ever give up  
I won't ever give up, I won't ever give up  
I won't ever give up, ever give up, ever give up

Keep it, keep it together  
It's a long, hard road but it's getting better  
I'm in good company  
I'll shine some light on you, you shine some light on me  
I'll shine some light on you, you shine some light on me

I don't care who you are or where you've been  
I don't care if you love her or you love him

I don't care if you're somewhere in between  
Cause on this road we're walkin'  
Together we'll be free

We will be free (I won't ever give up)  
We'll be free (we'll be free) / (ever give up)  
We'll be free (we'll be free) / (ever give up)  
We'll be free  
We'll be free

### Track 2 – Scattered Girl

©2015 Written by Nalani & Sarina

She got a crazy mother, an absent father  
Nowadays she don't mind  
Every night she crashes on a different couch  
Go with the flow is her style  
Been a wild child a couple years now  
And she's gotten pretty good at lying  
Does she have a lover? Don't even bother  
Nothing but a waste of time

Moving along without a plan  
Hopelessly lost but making friends  
Just like a plane that never lands  
It goes round, round, round  
She said,

"I don't know what to do with myself  
Do with myself, do with myself  
I don't know what to do with myself  
Do with myself, no-o-o-o  
I don't know what to do with myself  
Do with myself, do with myself  
I don't know what to do with myself  
Do with myself, no-o-o-o"

She's a scattered girl in a scattered world  
Can't stand being in one place  
Yeah she quit her job at the multiplex  
Craving for a change of pace  
Now she's hanging round the wrong crowd  
That only cares about getting wasted  
Too many crazy nights in the city lights  
Now she can't recognize their faces

Moving along without a plan  
Hopelessly lost but making friends  
Just like a plane that never lands

It goes round, round, round  
She said,

"I don't know what to do with myself  
Do with myself, do with myself  
I don't know what to do with myself  
Do with myself, no-o-o-o  
I don't know what to do with myself  
Do with myself, do with myself  
I don't know what to do with myself  
Do with myself, no-o-o-o"  
No-o-o-o  
No-o-o-o

She said, "I don't know, no I don't know  
The reasons why I'm here  
But I'll figure it out somehow somehow  
Somewhere the air is clear."  
Get up and go, get up and go  
Go far away far away from here  
She said, "I don't know what the answer is,  
But I'll question everything 'till it appears."

It's been a month or two, since she up and moved  
To a town with some decent pay  
She called once or twice, said she's playing nice  
But no telling if she'll leave or stay

"I don't know what to do with myself  
Do with myself, do with myself  
I don't know what to do with myself  
Do with myself, no-o-o-o  
I don't know what to do with myself  
Do with myself, do with myself  
I don't know what to do with myself  
Do with myself, no-o-o-o"

(She's a scattered girl, in a scattered world)  
(She's a scattered girl, in a scattered world)  
(She's a scattered girl, in a scattered world)  
(She's a scattered girl, in a scattered world)

### Track 3 – Runaway

©2015 Written by Nalani & Sarina

Dwayne is a boy of seventeen, sits in his room so  
quietly  
People have rarely heard him speak, thinking he don't  
know better  
His father walked out for a smoke, but that was seven  
years ago  
Mother's a drunk but won't say so, she thinks she'll  
get better

(Na na na na na) Is this the way it's supposed to be  
(Na na na na na) Not all the best things in life are free  
(Na na na na na) Is this the way it's supposed to be  
(Na na na na na) Run away, run away, run away with  
me

'Round and around he seems to go in and out of  
foster homes

"You'll hear from you mother," so he's told, but he  
never got no letter  
Night after night he tries to rest, gripping the cross  
around his neck  
If there's a God did he forget about me all together?

(Na na na na na) Is this the way it's supposed to be  
(Na na na na na) Not all the best things in life are free  
(Na na na na na) Is this the way it's supposed to be  
(Na na na na na) Run away, run away, run away with  
me  
Run away, run away, run away with me  
Run away, run away, run away

Can't stand looking at  
A child growing up too fast  
Desperate for a way out

Good things don't come to those who wait, life is a  
never-ending chase  
Over the hills there is a place where things look much  
better  
Dreaming these days is not enough, flags down a  
passing pick-up truck  
He says, "It's time to change my luck, I guess it's now  
or never."

(Na na na na na)  
(Na na na na na)  
(Na na na na na) Is this the way it's supposed to be  
(Na na na na na) Run away, run away, run away with  
me

(Na na na na na) Is this the way it's supposed to be  
(Na na na na na) Not all the best things in life are free  
(Na na na na na) Is this the way it's supposed to be  
(Na na na na na) Run away, run away, run away with  
me  
Run away, run away with me

### Track 4 – Get Away

©2014 Written by Nalani & Sarina

You wake up in the same old place thinking,  
'What face shall I wear today?'  
Picking out the things you'll say  
From a never-ending list you set on replay  
Take me away, I can't go on  
You'd rather complain than stand up for anyone  
Better go run along, you want to be forever young  
Maybe, maybe, maybe you should change your age,  
hey  
How can I rephrase?  
You talk more to my back than to my face, it's all the  
same  
The next day you undo the screws in my brain  
And replace it with a board game  
Chasing the train, but I'll stop the track  
Don't need another person breathing down my neck  
Get me out of this town before I'm trapped  
Got one life to live better change it fast, now

Hey, just let me get away

Let me get away, let me get away  
Hey, just let me get away  
Let me get away now, woah

You stare me down like an artifact  
You judge without knowing where I'm at  
Some people thought the world was flat  
But that don't mean a theory's a fact  
I'm so sick of that, you don't know me  
Look in the mirror and you'll see what I see  
I don't know how to make sense of it all  
But before you know it I'll break through the walls  
Of my palace, call me Alice  
Nobody understands  
If you need me I'll be looking for another wonderland  
I still got a whole world to discover  
Give me my mind, something to write and that's my  
bread and butter, hey  
Write a song, hey  
And move along, hey  
Read the words on the page before they blow away  
Cause there ain't no need to overthink  
Wi-wi-wi-wi-wi-wi-wi-wi-wing it

Hey, just let me get away  
Let me get away, let me get away  
Hey, just let me get away  
Let me get away now, woah  
Woah

I've been trying to keep it positive but somehow you  
keep stopping it  
Don't think that's the way it's supposed to be  
If you think I need to compete or feed your heart a  
beat  
Well I don't think so  
Every time I turn around I'm in the same place  
It feels I'm slowly going insane  
Like a burning house without an escape  
Guess we all gotta find our own way  
So don't try to change for the sake of change  
Keep singing your song your own way  
If somebody don't like it then walk away  
Don't care anymore what they all say

Next time you come across us  
And can't remember our names  
We'll make it real easy  
Why don't you call us the yi-yi-yi-yi-ying yang

Hey, just let me get away  
Let me get away, let me get away  
Hey, just let me get away  
Let me get away now, woah  
Woah, woah

## **Track 5 – Love Who You Want**

*©2015 Written by Nalani & Sarina*

Love who you want, love who you like  
Cause when it comes to love, there aint no wrong....

I never did anticipate I'd fall so hard for you

But I think it's safe to say that no one else will do  
The world paints an image of what you should be  
feeling inside  
If your whole heart is in it, you might as well give it a  
try

Singin, love who you want, love who you like  
Love who you want, and don't think twice  
Love who you want, love who you like  
Cause when it comes to love, there ain't no wrong  
Only right  
Singing love, love, love  
Singing love, love, love

No I can't pin it down, no I just can't explain  
What can't be strategized simply falls into place  
The world paints an image of what you should be  
feeling inside  
It's a short life we're living, so you might as well give it  
a try

Singin, love who you want, love who you like  
Love who you want, and don't think twice  
Love who you want, love who you like  
Cause when it comes to love, there ain't no wrong  
Only right  
Singing love, love, love  
Singing love, love, love

No I can't lie, something's coming over me  
The less that you try, the easier love will be  
Everybody's different, yet everyone's the same  
Hungry for the feeling that everybody craves,  
singin'...

Love who you want, love who you like  
Love who you want, and don't think twice  
Love who you want, love who you like  
Cause when it comes to love, there ain't no wrong  
Only right  
Singing love, love, love  
Singing love, love, love  
Singing love, love, love  
Singing love, love, love

## **Track 6 – Shadows in the Shade**

*©2015 Written by Nalani & Sarina*

I have found, that the world can let you down  
All the colors change from green to red to brown  
Then to nothing

In my life, how the hours pass me by  
Couldn't stop it if I tried  
I need something I can hold onto

We've been stuck right here for days, chasing  
shadows in the shade  
Nothing ever stays the same, ain't it true?  
Chasing shadows in the shade with you

Don't know why I build up in my mind  
An imaginary wall that blocks my eyes

To see what's coming

So I'll try to replenish my lost time  
To forgive, forget, and make the awkward lines  
A bit funny

How'd we ever get this way, chasing shadows in the  
shade  
Nothing ever stays the same, ain't it true?  
Chasing shadows in the shade with you...

I have found, when I drive through my hometown  
The vacant stores remind me what's not there  
But what's still standing

It's a choice, to hear my father's voice  
Say, "It ain't about what's right or wrong it's all  
understanding."

If nothing ever stays the same, chasing shadows in  
the shade  
Something's bound to shine our way, ain't it true?  
Chasing shadows in the shade with you  
Chasing shadows in the shade with you
